## EDUCATION

| | |
|---|---|
| **Bachelor of Technology in Computer Science,** *GLA University, Mathura* | June 2025 |
| **Intermediate, St. Mary's Senior Secondary, Banda** | May 2020 |
| **High School, St. Mary's Senior Secondary, Banda** | May 2018 |

## CERTIFICATIONS

**Programming with JavaScript by META (Coursera)**                    Jun 2023–July 2023

- Gained foundational knowledge of JavaScript, including variables, functions, loops, and arrays.
- Explored advanced JavaScript concepts such as DOM manipulation, event handling, and asynchronous programming.
- Successfully completed course assignments, applying skills in real-world web development scenarios using HTML, CSS, and JavaScript.

## PROJECTS

**Weather Forecast System**                    Aug 2023 – Dec 2023

- Developed a dynamic web application that retrieves real-time weather data for any location using APIs, enhancing proficiency in API integration and data handling.
- Build Designed and implemented an interactive user interface with **React**, **HTML**, and **CSS**, focusing on responsive and user-friendly design principles.
- Strengthened expertise in JavaScript by implementing advanced functionality, such as asynchronous data fetching and state management.

**Library Management System**                    Aug 2023 – Dec 2023

- Designed a functional application to search books by author, genre, and title, leveraging a default database for seamless data retrieval.
- Built features for adding and deleting books, enhancing hands-on experience with database management and CRUD operations.
- Gained practical knowledge in designing structured, efficient systems using **JavaScript**, **HTML**, **CSS**, and database integration.

## SKILLS

**Technical**

Languages: Java, JavaScript
Web Development: HTML, CSS, JavaScript
DBMS: SQL

**Professional**

Effective **time management**, ensuring timely completion of projects efficiently.
Strong **adaptability**, quickly learning and applying new tools.

## EXTRA/CO-CURRICULAR ACTIVITIES

- Attended workshop on C Programming (GLA, September,2022)

## DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
